

**Accreditation Status Notification  
Update As of August 19, 2022**

The Commission of the Accrediting Bureau of Health Education Schools (ABHES) voted on August 18, 2022 to agree to a stay on its August 12, 2022 decision to withdraw the accreditation of Azure College pending the outcome of arbitration proceedings (a final decision and award by the arbitrator) that commenced on August 15, 2022, subject to the following conditions, which shall remain in effect during the pendency of the arbitration proceedings. Azure College remains accredited during the arbitration process.

ABHES also has directed Azure College to submit a Teachout Plan. The Teachout Plan lists other institutions that offer similar programs that potentially could enter into teachout agreements with the College if its arbitration proceedings is not successful and describes a record retention plan.
